

BOSCH

Invented for life

GCL 2-50 CG Professional

Four times better
visibility combined
with smart functions

GREENLASER
Technology

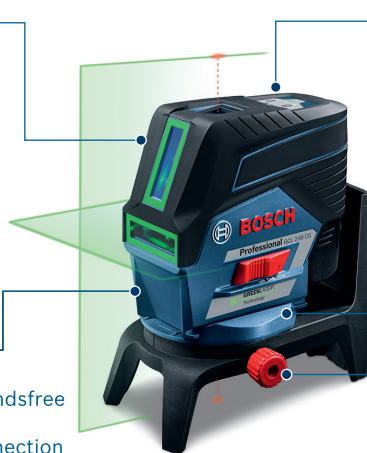

GCL 2-50 CG Professional

Four times better visibility combined with smart functions

WHY THIS

- 01 **Maximum visibility**
Due to green laser lines
- 02 **Optimum precision thanks to Bluetooth® connection for control**
Using a smart phone
- 03 **Dual power source**
Can be operated both with 10.8/12V Li-ion battery and with standard alkaline batteries

Greater visibility
400% more line visibility for maximum working efficiency

Bosch Levelling Remote APP
Eliminate time-consuming manual readjustment of lines

Robust
IP 54 rated against dust and splash water for maximum tool protection

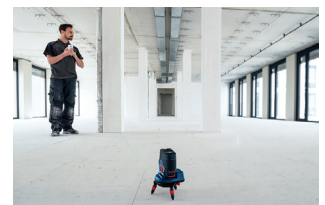

Precise
Fine adjustment with precision control of RM 2 rotating mount

Simply. Connected.
Smartphone handsfree operation with Bluetooth® connection

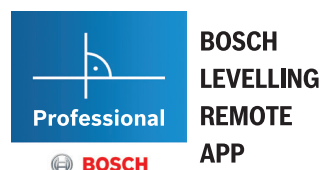

TARGET USERS

- General construction (dry-walling)
- Floor & tile layers
- Carpenters
- Plumbers
- Glaziers
- Electricians

*optional accessory : RM 3
